Year 7 Technology Training Day

Dear Parents and Students,

As you would be aware at the centre of our 1:1 Technology program at McCarthy Catholic College is our commitment to integrate your child's iPad or laptop as a mobile educational device that can assist the teaching and learning of our students.

Year 7 on Friday 23rd of February (Friday Week 4 of Term 1) will participate in our Technology Training Day during normal class time. Students will investigate our school expectations, Cyber Safety and how to use specific Educational Apps to support their education.

The following are the Educational Apps that will be explored during our Technology Day. Students need to either download the required Free App on their iPad or sign in to the corresponding Website Service on their laptop before our Technology Day.

Educational App	App Name	App Image	Website
Google Classroom	Google Classroom		https://classroom.google.com/
Google Docs	Google Docs		https://docs.google.com
Google Drive	Google Drive		https://www.google.com/drive/
iMovie Free download with each Apple ID	iMovie (both iPad and Mac Laptops)		https://support.apple.com/imovie
MindMeister (Mind Mapping) Sign in with Google (your school login details)	MindMeister (Mind Mapping)		www.mindmeister.com/

Yours sincerely,

Mrs Tania Cairns
Principal Leader

Mr Damien McGuire
Leader of Learning Technology
